

What is GOT LUNCH! all about?

It was started in 2011 Laconia by a guy named John Walker who wondered: "Where do all the kids who eat their meals at school get their food during the summer?"

The answer was, THERE ARE NO SUMMER FOOD PROGRAMS IN PLACE!!! Crazy right?

So, with help, John started GOT LUNCH! and assisted other towns like ours. There are now more than 18 communities following the GOT LUNCH! Model.

Where does the money come from? And, Who can sign up for GOT LUNCH?

In Campton-Thornton, we make most of our money from donations, grants and yard sales. Any family can sign up (no financial requirements) so we are not eligible for state or federal assistance. That's why we need donations, grants and food.

Also, we get food from drives, like March Mayo Madness, that really help keep our costs down in the summer. Campton's Student Council and Thornton's National Honor Society have done a great job supporting GOT LUNCH!

AND--Our affiliation with the **Campton Area Resource Center (CARC)** allows us to buy food from the NH FOOD BANK; they have great prices so we save \$\$\$\$\$\$.

So, how does the program actually operate?

Volunteer packers meet every Monday mornings during summer vacation at Campton Congregational Church @8 am.

First, they pack 50 or so re-usable bags full of food. One week's bag might be: 5 cans of tuna, 1 jar of mayo, 1 loaf of bread, a bag of celery, 5 apples, and a voucher that can be used for milk or

cheese at Campton Cupboard or Campton Corner's. If there is more than one kid, they get more food; math is everywhere!

Next, at 8:45ish, volunteer drivers leave in pairs with back seats full of packed grocery bags and a list of the addresses of 4-8 families expecting them. Chat with your partner, leave food at homes, return to the Church to turn in your list and you are done. It's easy & fun!
